Lincolin County

The abstract of the assessment of personal property, ass prepared by County Clerk Yost, is documentary) proof that there are anumber of cheer ful hars in Lincoln councey.

For instance Treasurer Davbing the other day stated that licease was beings paid on 600 automobilies in Lincoln county, yet only 238; wersersportedd too

We accept as trusethat anna cofitheses cars were purchased affer the assess sors made their rounds save that fiffer were purchased after that date, and yet we have 312 that wereenst reppered to the assessor. That is going some in the line of prevariostionp, isant ut?

Then another instance-the money companied the remains of his wife last reported in the hands of bhakes subject to check was \$29,5883, this bomp; ones fifth of the actual amount opr an real amount of \$127,915, anddypetthee states ments of the banks as published from time to time show? these deposits tod exceed a million dollarsa. That is able going some.

And diamonds-how about thous Well the value returned too thee assessors was \$1,186 orr as real vulue of \$5,930; and yet today; there are not light daughter returned yesterday morning being freshened up with a coat of than \$75,000, worth off diamonds in bright new paint and other improve- North Platte alone - and that's puttings it too low.

> But what's the uses-There were reported toothbe assessors

seventy-one typewriterss (machines not the girls,) fifty-eightt cashi registeess 495 pianos, twenty-eightthreshing; mas chines, 651 cream separators, 11593 seem ing machines, 1,668 chicks and waschbe and 3,462 carriages and houseness. Our live stock continues tookwordfie

last year 38,896 cattlecoffatilagess were reported to the assessors; this sypasithb number is 36,193, a fallings off off 2,702 party Friday to a number of her young head. Ten years ago wee had 60,0000

This year 18,061 horsessvereereported and 1,475 mules; thee hoggs numbered were entertained for a couple of hours 20,008. Everybody will bee grad! to at games and at five-thirty partook of a learn that old Fide and other are still alive and alongs within them are Our repair department is kept up to 1,461 other dogs; at deast 1,466 wereeres the highest possible standard of effic. ported to the assessors, leaving neverns

The personal propertive fithe crailroads is assessed this year att \$1,70221900 and the total assessed value-offath personal property in the countyyis \$2,000,281]. as Roy Marovish formerly of this city compared with \$2,508,2285, in 1932, and increase of \$112,000 inpround numbers

> The total assessed value of froth per sonal and real property; in the county this year is \$5,334,410, andinoreasecoff \$2063. 000 over 1912. Figured att the actual value, the real and personal property of Rhiesand terms the most favorable. the county represents \$28,692,0680. Of: amount, nearly tenn raillions belongs to railroads and other corporations, the balance to us contracen proppe Apportioned out amongsthe inhabitants of the county this is isneccess off \$900 per capita.

Rev. Chapman Tenders His Registration.

Rev. Chas. F. Chapmann, for seven years rector of the Engineent church tender his resignationatto the vestiny of the church at a meetlersheed ast even ing. The resignation becomes effective es soon as the church secures as rector! if such can be obtained horthingareason

able time.

Rev. Mr. Chapmani resignes this parish to accept a meehilarger and include of August 1978, in the city of Montana fluential parish at Bustle. Montana burned includes of the charter of the c

will be received with much regret, not only by the people of the partiable by citizens generally, for both he and Miss. Chapman are popular with all acquaint ances.

Too Hot for the Metorcyclists.

About twenty-five metorcyclists.

About twenty-five metorcyclists from the middle western states arrived in town Saturday evenings after spending the night here resumed the middle who stated the national convention of motorcyclists. These riders were part of a bunch of about two hundred who stated on a trip, but when Des Moines was reached the Sunday.

The first day of the week, commonly called Sunday.

Those voting in rayor of after proposition the mixture of the mixture of the mixture of the week, commonly called Sunday.

These voting in rayor of after proposition town but when Des Moines was reached the Third with the city of North Platter of the mixture of the mixtu but when Des Moines was reached the weather had grown soo excessiven her that nearly all of them abandone riding and took passage of traffic.

A Good Investment

W. D. Magli, a well known merchant of Whitemound. Wis.", bought a stock of Chamberlain's medicines of as to be able to supply them to his castomers. After receiving them he was himself taken sick and says that bee spiell bottle of Chamberlain's Collect Cholera and Diarrhoea Remedy was worth more to him than the cost of his entire stock of these medicines. For safe by all dealers.
